About HSUHK

The Hang Seng University of Hong Kong (HSUHK) is a non-profit private liberal-arts-oriented university in Hong Kong with six Schools (Business, Communication, Decision Sciences, Humanities and Social Science, Translation and Foreign Languages, and School of Transdisciplinary Studies) and around 5,000 full-time students.

Adopting the “Liberal + Professional” education model which incorporates the iGPS “desired graduate attributes” framework, HSUHK is a residential institution which puts quality teaching and students’ all-round development as its highest priorities.

Aspiring to be a leading private liberal-arts-oriented university in the region, HSUHK features top-quality faculty members, award winning green campus facilities, innovative degree programmes, impactful research on corporate sustainability, and excellent student support services, with the aim of nurturing young talents with critical thinking, innovative minds, human caring attitude, moral values and social responsibilities.

Welcome to HSUHK Translation

If you're good with Chinese and English, interested in language, and keen on starting something new in your career, then the Master of Arts in Translation (Business and Legal) Programme is for you.

The programme will teach you the fundamentals of the legal systems in the Greater China area, including those in Hong Kong, Taiwan and the Mainland. You will also study business and legal Chinese and English, as well as their terminology, usage, style and syntax to help you with writing and translating.

If you believe that knowledge is power, and that life-long learning is the key to success in life, then the programme is an apposite choice, one that is really worthy of your consideration.

Programme Objectives

The programme aims to train students to master the theories and skills in writing, translating and interpreting in business and legal contexts, and to provide students with the essential knowledge of the translation industry in major Chinese communities. Graduates will be able to meet future challenges in the fast-growing language services industry with a particular focus on business and legal translation.

Programme Intended Learning Outcomes

Upon successful completion of this programme, students should be able to:

- analyse complex business and legal texts;
- apply linguistic and conceptual skills to formulate solutions to complex business and legal translation tasks;
- apply various information technology skills to enhance translation efficiency;
- reflect critically on the conceptual issues and practice relating to business and legal translation;
- conduct research on business and legal translation issues; and
- communicate effectively in English and Chinese in business and legal environments and for research and study purposes.

Entrance Requirements

Applicants are required to fulfil the following entrance requirements for admission:

- A Bachelor's degree from a recognised university or equivalent; and
