### **HSUHK to hold Information Day this Saturday to share latest programme and admission information to secondary school students**

The Hang Seng University of Hong Kong (HSUHK) Information Day 2024 will be held on 16 November 2024 (Saturday). There will be over 30 themed trial lessons and interactive workshops, as well as programme exhibitions, student life tours, admission talks, and campus tours. The events welcome the public, including prospective senior-year students, secondary school students, parents and teachers, to learn about the latest programme and admission information from HSUHK, including admission requirements and scoring methods.

On-site application and assessment will be available during the Information Day. Applicants who complete the application procedure (including online application and payment of the application fee) on the day and meet the eligibility criteria will have the opportunity to receive the first-round conditional offers in December this year. The latest details of the “School Recommended Direct Admission Scheme for Talented Students” will also be announced on the same day. This scheme aims to provide more diverse admission pathways for students with outstanding performance in various fields.

The event will feature a keynote talk on “Selection Strategies for Undergraduate Programmes” by Mr Raymond Ip, a representative from the Hong Kong Association of Careers Masters and Guidance Masters, at 2:00 pm, sharing 2024 admission data and programme selection strategies. Professor Joshua Mok Ka-ho, Provost and Vice-President (Academic and Research) of HSUHK will also host an admission talk to introduce the university’s unique advantages at 10:30 am. Other programme talks and workshops include: “Bloomberg Game – Using the Bloomberg Terminal To Discover Financial Market Information”; a Hands-on Workshop on Artificial Intelligence (AI); “Management Workshop – A Rookie’s Road to a Good 'Organisation' Citizen”; “Creative workshop: Draw your hidden personality”; “Venturing into the Art World: Turning it Upside Down through a Board Game”; and “Video Translation in the Age of AI”, among others.
